## COVID-19 VACCINE WORKSHOP

By AACI trained Sewa  
Promotor and

Anurag Mairal

Adjunct Professor of Medicine  
Stanford

### Get all your COVID questions answered....

How safe are vaccines?

How effective are the current  
vaccines against new variants?

Why do we need booster shots?

Should kids get vaccinated?

What is the risk if they don't?

Which age group should get shots?

Should I protect myself even if I am  
vaccinated?

What is the implication of kids not  
vaccinated yet?
