Dear SEWA International-DC Chapter:

Thank you for your continued support of Cornerstones and the residents of the Embry Rucker Community Shelter. Since 2015, SEWA has consistently provided hot, homemade meals and our residents truly appreciate the kindness. The delicious food your volunteers continue to provide does not go unnoticed and allows us to provide an extra level of comfort.

Again, thank you and we look forward to the future with you.

Sincerely,

Saira Sufi
